## Songs of the Ceremony

### *The Yellow and Blue*

Sing to the colors that float in the light;  
Hurrah for the Yellow and Blue!  
Yellow the stars as they ride through the night  
And reel in a rollicking crew;  
Yellow the field where ripens the grain  
And yellow the moon on the harvest wain;  
Hail! Hail to the colors that float in the light;  
Hurrah for the Yellow and Blue!

---

### *The Victors*

Hail! to the victors valiant  
Hail! to the conqu'ring heroes  
Hail! Hail! to Michigan,  
the leaders and best.  
Hail! to the victors valiant  
Hail! to the conqu'ring heroes  
Hail! Hail! to Michigan,  
the champions of the West!

## From the Dean

### **Dear 2022 graduates of the School of Education:**

On behalf of the faculty and staff, it is my honor to congratulate you on the completion of your degree at the University of Michigan. This year, the School of Education is recognizing the Class of 2022 as well as many graduates from the Classes of 2021 and 2020 who have returned to join us for the first in-person commencement since 2019.

Your family, friends, and colleagues join us in celebrating this wonderful achievement and wishing you success in the next phase of your career. I hope that you are as proud of your accomplishments as we are. Through hard work and commitment, you have earned your degree from one of the finest universities in the world. The University of Michigan, as a public institution, exemplifies society's commitment to education for the common good, making your degree even more powerful.

Thank you for your many contributions to our community during your time at the School of Education. Just as you have shaped our school with the ideas, perspectives, and skills you brought with you into this community, you now take all that you are and all you have become at the University of Michigan out into other communities around the world.

How will you shape the world using *your* education? How will you shape the world *through* education? We use a phrase to describe the contributions of School of Education alumni: *infinite impact*. This means that in every obstacle you face head on, and in every opportunity that you create, you have limitless potential. Each of you will contribute infinitely to making the world a better place.

May you always remember that you are not alone in your endeavors. Today, we welcome you into an alumni family of over 40,000. Generations of teachers, scholars, policymakers, and leaders in both corporate and non-profit enterprise have shaped education in this country and around the world. You will follow in their footsteps even as you blaze new trails.

Please keep in touch with us. We are here to support you and we look forward with great anticipation and pride to hearing of your work. Go Blue!

Sincerely,

A handwritten signature in black ink that reads "Elizabeth Birr Moje". The signature is written in a cursive, flowing style.

Dr. Mayes, an innovative and dedicated higher education leader, serves as the Vice President for Diversity, Equity, and Inclusion and Professor of Education at Lawrence University.

His research focuses on examining the mediating role of culture on cognition and learning, with particular interest in the impact that culturally responsive pedagogy and assessments have on academic and life outcomes for linguistically and culturally diverse students and communities. He currently serves as a Co-PI on a U.S. Department of Education Teacher and School Leadership grant focused on improving student achievement in rural, hard-to-staff and under resourced schools in the Arkansas Delta.

He holds a post-doctorate master's degree in Education Policy and Management from the Harvard Graduate School of Education, a PhD in Educational Psychology from Howard University, and both a master's degree in Educational Technology and a bachelor's degree from the University of Michigan, Ann Arbor. A former college athlete, Dr. Mayes advanced from a walk-on to Co-Captain of the 1997 University of Michigan National Championship Football Team.
