

Chloe Ruelle
ELMAC

“I chose the Marsal Family School of Education because of its commitment to providing a meaningful education that seamlessly integrates hands-on experience with conceptual classes. The school’s focus on the *DIJE* framework, encompassing Diversity, Inclusion, Justice, and Equity, held significance for me as it resonates with my aim to emerge as a proficient and socially aware educator.”

ADDITIONAL CREDENTIALS

Enhance your skillset and career opportunities.

- English as a Second Language Endorsement
- Trauma-Informed Practice Certificate

Master’s Degree with Elementary Teacher Certification

OVERVIEW

The Elementary Master of Arts with Teacher Certification (ELMAC) program provides an excellent opportunity for students from a variety of undergraduate backgrounds to start their teaching careers after just one year. As a member of this June-to-June program, you and a small cohort of your peers will learn from educators who are teachers and leaders in the field of education. Parallel to this experience, you will apply new skills and approaches to teaching in a local classroom with the support of a mentor teacher and university field instructor. Our graduates are committed to justice and equity for all students and are ready to transform the educational experience of their future students.

WHY TEACH?

Graduates lead fulfilling and rewarding careers sharing their love for learning. As they share this passion, they positively affect the lives of generations of children and youth. Our school-wide **diversity, inclusion, justice, and equity (dije)** initiative informs both our curriculum and the approaches that our graduates take to teaching and learning. Through this lens, our graduates are reshaping the landscape of education and creating access and equity in schools and communities. We encourage you to pursue your passion with us, and start making a difference one child at a time.

PROGRAM OUTCOMES

- Students and alumni receive career services support with their job searches.
- Graduates are highly sought after by school districts nationally and globally.
- 100% of our students secure positions within 4 months of graduation.
